TOWARD A SOCIAL STRIKE

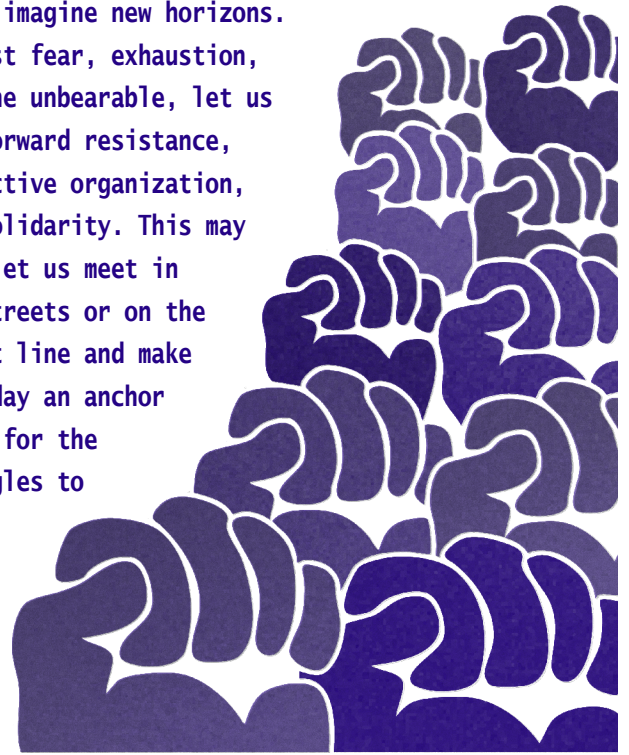

SOZIDARITY AND POPULAR RESISTANCE

MAY DAY 2026

6PM

SQUARE VICTORIA

In the face of a future that is closing in, let us draw strength from what unites us to imagine new horizons. Against fear, exhaustion, and the unbearable, let us put forward resistance, collective organization, and solidarity. This may day, let us meet in the streets or on the picket line and make this day an anchor point for the struggles to come.
